Dear Parents and Carers

Next week is the BBC's annual fund raising event for Children in Need. Children love Pudsey and it is an opportunity to raise money for a good cause. The children will be doing activities all week but we have also decided to have two dressing up days! We will be having a Stripy Monday and Spotty Friday when we will be collecting all your change in our buckets...please!

Stripy Monday: Monday 14th November: children can wear anything with stripes e.g. a t-shirt, jumper, pyjamas, be dressed as a stripy animal e.g. zebra or tiger or simply make a stripy hat.

Spotty Friday the 18th November: this time wear anything with spots just like Pudsey or be a spotty dog or leopard! Spotty hats, dresses, pyjamas, t-shirts and Pudsey themed items are all welcome. If they bring any Pudsey related items please make sure they are named.

We hope that having two dressing up days will give more children the chance to be involved but if your child isn't here Mondays or Fridays they could wear their spots or stripes on a different day!

We will have activities available each day for example Sunshine Room will be talking about the straight lines and curved lines of stripes and spots and focusing on describing shapes.

Please remember this is for a good cause so all join in with our dress up days and let's see how much the children can collect in their buckets!

Best Wishes Karen
