Dear Parents and Carers

**Muriel Green Photograph Days**  
**Wednesday 4<sup>th</sup> October and Thursday 5<sup>th</sup> October**

I am delighted that we have been able to book a photographer to do individual photographs of all the children next week. Dee from Style photography specialises in Early Years and will do one or more photographs of every child during their normal Nursery sessions. If you have more than one child at the setting they will have photos taken together also.

A proof will be sent home and you will be able to select from a wide selection of photograph packs or a CD. A bonus is that if you return your order in the envelope provided to the school we will get commission that will be used towards activities for the children.

Most photographs will be done on Wednesday but if your child doesn't attend that day Dee will be back Thursday to do some more. If your child doesn't attend either of these days and you would like photographs taken then please arrange to come in on Thursday morning at a time prearranged with the office. Please contact Maureen in the office to arrange this.

We will photograph every child that is happy to be photographed and staff will be present at all times. However please be aware that sometimes young children do not like to have their photographs taken and we will not proceed if a child is distressed. You will get your photograph orders in time for Christmas!

NB: There is a change of date due to new photographer availability.

Kind Regards

*Gemma Williamson*
