

Sunshine's Learning Letter

Week beginning 15th May 2017

Important Notices

Weather

As the weather improves (we hope!) please ensure that your child comes to nursery in suitable clothing. Please provide them with a labelled hat to wear in case of sunny weather.

Thank you

Thank you very much to everyone who has brought in boxes for our junk modelling. Please keep them coming!

Theme

Sunflowers

This week we will be continuing our theme of growing. The children will explore sunflowers. They will paint them, observe them and learn all about how they grow. The children have been working on measuring, maybe they could try and measure themselves at home!

Song of the week

Happy Sun High

Happy sun high, happy sun low

Happy sun makes my roses
grow.

Happy sun shine all of the time

Shine Shine Shine

Repeat with different flowers,
Pansies, sunflowers, marigolds
and daffodils.

Phonics this week

Each week the children take part in phonics sessions. This week they are concentrating on phase 1, rhyme and alliteration. They will also concentrate on blending simple three letter words.

What we are learning.

Each week the children take part in four adult led activities to support their learning..

Activity 1

The children will be doing observational paintings of flowers. They will learn to look carefully and use colour for purpose.

Activity 2

The children will read about the life cycle of a sunflower. They will learn about fact books and how to read them correctly.

Activity 3

The children will be taking part in a circle time about kindness. They will all be discussing ways in which we can be kind friends.

Activity 4

The children will continue to discuss measurements. They will be using cubes and giants feet to measure outside!
