

Sunshine Room News

Week beginning 16th October 2017

What we are learning this week...

Each week the children take part in adult led activities to support their learning.

This week, the children will be enjoying parachute games altogether in the outside area. We will be adding the final touches to our Harvest songs ready for Tuesday and Thursday. At the end of the week, the children will experience a 'big draw', working with their peers to create large collaborative piece of artwork.

Cooking

Next term, the children will be making a small Christmas cake for their cooking session with Liz. Cooking sessions will continue to be on a Tuesday and Thursday each week. If you are able to help, please sign up on the rota on the Sunshine notice board outside of the classroom.

Our apologies if your child was not able to make an apple crumble this term. (This was due to staff illness and a cancelled session). Liz will ensure all children have this opportunity at the beginning of next term, before introducing the making of Christmas cakes.

Parents Consultations

Thank you to all parents who have signed up online for a consultation time for this **Monday 16th October**.

Please ensure to arrive promptly and sign in at the main office. From here Naomi and your child's keyworker will greet you.

Harvest Festival

As you know, all parents and carers are invited to our Sunshine room harvest festival performances on **Tuesday 17th October at 9am** and **Thursday 19th October at 2:30pm**.

This year we are collecting for Open Doors, based in St Albans which supports the homeless. Please can we ask for non-perishable donations to be brought in from Monday. These could be tinned foods, toiletries or dried food.

For our Tuesday performance, please leave your child as normal, ready for an 8:30am start in Sunshine Room. Parents and carers are invited to the dining room for a coffee time before our performance at 9am.

For our Thursday performance, parents are asked to join us at 2.30. Please enter through the children centre.

After our performance, you are welcome to take your child home. Alternatively, children can remain at Nursery until the end of their session as normal.
