

Sunshine Room News

Week beginning 22nd January 2018

Welcome back Lara

All children and staff are really pleased to have Lara back in Sunshine room. We have missed her lots and she is looking forward to getting to know the children.

Cooking

Thank you to Mia and Oliver's mum for helping Liz with Cooking last week. This term Liz is cooking bread with the children. If you would like to sign up to help Liz there is a sheet up in the cloakroom to write your name.

What we are learning this week...

This week we will be learning about Burns night in Scotland and Australia Day. We will be looking at a map to see where we live and where the celebrations are taking place. As well as talking about how people might celebrate these days.

In our small groups we will be doing maths games that involve counting and number recognition and some music and listening activities.

St Albans Clock Tower

If you are in St Albans town centre anytime soon, we would love to have some photos of Sunshine children next to the Clock Tower for our display. You are welcome to email them to sunshine@murielgreen.herts.sch.uk

Tennis

This week the children enjoyed a fun filled visit from a Tennis coach based at Batchwood Sports Centre. If you wish to find out more about the 'Tots Tennis' session we have some leaflets up in our Cloakroom area. Or you can contact Alex Gooding on Agooding1995@hotmail.com or 07581547192.

ICT

If you have any old keyboards, mobile phones or telephones at home please can we have them to enhance our role play area.

Owls are coming to Muriel Green

Wednesday 31st January we have a visit booked from OwlTime. The company will be bringing owls for the children to learn about and see first hand. The visit will include a flying demonstration.

Due to the routine of the owls unfortunately they are not allowed to fly twice in a day. We would like to ask that all children join us for the morning session to be part of this wonderful visit.
