

Sunshine Room News

Week beginning 5th March 2018

Chicks

This week we will be welcoming some eggs into our classroom while we watch and wait for them to hatch.

We will have them in our classroom for two weeks. You can practise clucking over the weekend!

What we are learning this week...

This week we will be learning lots about looking after our eggs. Looking closely at them, talking about what they might find inside and how we take care of them.

We will be making cards, and practising writing our names. Adults will be doing lots of writing down of children's ideas to model good writing which will be displayed in and around our room.

We will be sharing lots of ideas about how to look after our nursery classroom and the things we play with, as we have noticed lots of toys and books being broken and ripped lately.

2Simple

We hope you have enjoyed reading the observations sent out last Friday. We will be sending February's observations out next Friday. If you haven't received an email from 2simple with your child's observations yet please let a member of staff know so we can get them to you.

World Book Day

We all really enjoyed World Book Week! We went on lots of Bear Hunts and it was lovely to see children so engaged in a story.

Cooking

Thank you to Edwards mum for helping with cooking the week. This term Liz will be making flapjack with the children. Please let us know if you would like to help - there will be a sign-up sheet in the cloak room.

Word of the week-

Incubator

Welcome back Speedy!

This week we saw the return of Speedy our baby Giant African Land Snail. Speedy had an extended Christmas holiday at Lara's house but has returned to sunshine room. Lara has been introducing Speedy to all the children and letting them have a hold if they wish.

Moments from Home

Just to remind you that we have the moment from home sheets in the cloakroom if you would like to add any wow moments that your child has done. This could be something like cutting up food using a knife for the first time or putting on their coat for the first time.

Sneeze Station

We have lots of runny noses in Sunshine and have decided to introduce a 'Sneeze Station'. We will be encouraging independence by asking children to look in a mirror and wipe their nose with a tissue, place it in the bin and then clean their hands. Adults will be on hand if needed!

Dates for your diary

Easter Break 30/03/18-16/04/18
Open Day 28/04/18
