

Sunshine Room News

Week beginning 5th February 2018

What we are learning this week...

This week we will be learning about Shrove Tuesday which lands in half term. We will be talking about why we eat pancakes and looking at the recipe and method for making them.

In busy fingers we will be counting objects to match a number and talking about one more and one less.

Last week we spoke about the features of a book- front cover, back cover, spine, pages, author and illustrator. This week children will have the opportunity to make their own books while talking about the different features.

Half Term

We wish you all a very pleasant half term! Please don't forget to fill out any 'moment from home' sheets found in the cloakroom to let us know what you have been up to with your child at home. We look forward to welcoming everyone back on the 19th February

Owls

We all really enjoyed our visit from the owls this week! The 'Owl time' ladies will be in touch soon with the photographs they took of children with one of the owls. There is no obligation to buy the photograph.

This Wednesday we will be back to our usual 'Welly Walk' so please be prepared with wellies and suitable clothing for your child.

Library

All children are welcome to take a library book home whenever they wish. Each colour group has a basket of books for children to choose from. Please return your book before taking another and ensure you let an adult know so we can make a note of the title and date in our library folder.

Junk

Please send in any unwanted clean junk that we can use for junk modelling. We will soon be getting some new containers for our creative area that will be for cardboard and plastic junk and will need filling up.

Cooking

Thank you to Nathan's mum for helping with cooking this week. Please let us know if you would like to help Liz make bread next week.

Word of the week-
Flabbergasted

Dates for your diary -

Inset Day Friday 9th February 2018

Half Term 12/02/18- 16/02/18
