

# Sunshine Room News

Week beginning 12<sup>th</sup> March 2018

## Chicks

The Chicks have been a huge hit with children and adults across Sunshine and Day Care this week! We will be looking at how they have grown over the weekend as we have them with us for one more week in Sunshine room. We have named them- Cupcake, Potato, Gabriel, King, January, March, Mama, Maisie, Bulldozer and Kuku.

## What we are learning this week...

We will continue to look at caring for our chicks, the children will get a change to hold one if they wish. We'll have a focus on hygiene ensuring children wash hands after touching the chicks.

We will be doing some 'estimating' and talking about making sensible guesses when estimating the amounts of something. We will also be learning about groups of objects having 'more' or 'fewer'.

In Busy Fingers we will be folding strips of paper into a concertina (zig zag) book.

We will also be working on what skills we need to be a good listener.

## 2Simple

We hope you have enjoyed reading February's observations. Please let us know if you are not receiving them so we can check email addresses and get them sent out again. We would welcome any feedback on the observations! You can reply to observations if you would like to inform us of any wow moments! If you could attach a photo it would be great evidence for your child's profile.
