The Early Years Pupil Premium is additional funding to help schools diminish the attainment gap between children from low-income and other disadvantaged families and their peers. Each year there is a small increment and this year the current amount of £302.60 per pupil. During the admission process Muriel Green Nursery School support parents to identify whether they are eligible for Early Years Pupil Premium (EYPP) to support their child's learning and development.

Muriel Green is committed to ensuring progress for all groups of children and strives narrow any gaps. We have a clear approach to the use of specific Early Years Pupil Premium and plans are integrated into school support and improvement systems. These are monitored and evaluated regularly and in depth data analysis ensures that the correct support and strategies are identified to maximize progress.
