

# Sunshine Room News

Week beginning 26<sup>th</sup> March 2018

## Frogspawn

Our Frogspawn has now changed into tadpoles! We have been watching the changes closely and singing '5 little speckled frogs' - practising our counting and talking about one more and one less. We look forward to them developing into froglets!

## What we are learning this week...

This week we are going to have a 'crime scene' week. Please don't be alarmed if you see police tape in the garden or in the classroom next week!

We'd love it if you could add to the excitement of our special week by listening to your child talk about it and 'going along' with our theme!

The children will come in each day to a different area that has been ruined. We will spend the week talking about what would happen if we didn't tidy it up, if we don't look after our things and if things are broken.

We will also be talking more about Easter and practising writing our names for our Easter cards.

## Easter Break

Please be reminded that sunshine room will be closed for Easter. Our last day is Thursday 29<sup>th</sup> March and children will return back on Tuesday 17<sup>th</sup> April.

## Cooking

Thank you to Dylan's mum for coming in to help Liz with cooking this week! Please sign up if you can, next week will be our last week making Flapjack.

Word of the week-

## Parent Consultations

Thank you to everyone that attended parent consultations. Practitioners have really enjoyed meeting with you all this week. Apologies that Lara was not able to meet with red group parents we will inform you of a new date when Lara is back.

If you are yet to meet with your child's keyworker please try to arrange a suitable time before Easter.

## Lost Property

We have lots of lost property which we will be leaving out in the cloakroom. Whatever is left by next Thursday we will be taking to a charity shop. Please have a look through and see if anything belongs to your child. Thank You!
