NEWS LETTER 05.01.2018

Dear Parents and Carers,

This is a good opportunity to wish you all a very Happy New Year and to welcome new families that have joined Sunshine Room (Nursery School) and the Day Care Rooms. It feels a very long time since the children enjoyed a wonderful range of Christmas activities, Mr Marvel was fantastic and helped the Christmas party to be a big success. The Nativity play and Sing-a-Long were extremely well supported by parents and families.

Applications for Nursery Schools and classes open on Friday 19th January, the application process has changed this year and you will now need to apply directly to the Nursery. If you are interested in a place please complete an expression of interest form, accessible on the website or via the office. You will then be sent an application form to complete. Even if your child is already at Muriel Green you must apply for a place. We will continue to offer places to children who qualify for thirty hours of free education and care. If you are interested in this or anything else that Muriel Green offers then please do speak to the Office Team. Both the office and myself are happy to answer questions and you may also like to join one of the school tours.

Thank you for your co-operation in embedding the new changes for the way our rooms function, if you have any comments we would like to hear from you please email admin@murielgreen.herts.sch.uk.

The staff and I look forward to working with you to ensure all of our children at Muriel Green have a fantastic 2018.

Best Wishes

Gemma Williamson
Headteacher

Baby Room:

This week we have been exploring different textures and colours. Our key persons have introduced coloured shaving foam and mark making activities. We have been observing the marks we make while painting with coloured blocks, fingers and sponges.

Ocean Room:

In Ocean Room, the children have been introduced to their new key groups. They have been engaging in activities such as searching for sea creatures hidden in various places within the room, gluing and sticking and cooking.

Rainbow Room:

Rainbow children have enjoyed sorting, comparing and categorising colours and sizes. They have been using coloured unifix cubes to build structures of various sizes and compared them to find out who had the tallest and shortest towers.

Sunshine Room:

The children and staff have been welcoming and supporting the new children who have joined us this week, they have been playing lots of name games and challenge your friend games. Toddle Waddle has been the book of rhyme that the children have used to begin to create their own rhymes.
