Word of the week-

Stem

Caterpillars watch

Our Caterpillars have more than doubled in size and have been very active this week!

Junk

We have a new junk materials unit in sunshine. We would love to fill it up with lots of different sized tubes for the children to access during continuous provision. Please could you bring in any sorts of tubes you may have at home.

Cooking

This term Liz is making savoury biscuits using our own herbs grown in the garden. If you would like to help Liz with cooking this term, please choose a date suitable and put your name up on the list outside the classroom.

What we are learning this week...

This week we will be doing lots of activities around the World Cup. We will be practising penalty shoot outs in the garden and making lists of names and a tally of how many goals scored.

We will be learning about the different parts of a plant and what we need to do to help a plant grow. Looking closely at seeds and talking about what might be inside a seed.

Outside in our garden we will be encouraging children to be aware of the bikes around them and talk about what to do when we are outside on pavements when crossing the road.

Football shirts

We are encouraging children to be involved in our world cup theme by inviting them to wear a football shirt on any day you like.

Weekly Challenge

Can you grow a sunflower from seed? Sunflower seeds are available from our notice board. We'd love to have updates emailed to us of you planting your sunflower seed and how it grows over the summer!

Leaving Dates

As we get closer to the end of term we would like to know what date your child will be leaving us for the summer. If you haven't already done so please email admin@murielgreen.herts.sch.uk to let us know your child's last day at nursery. Our last day before the summer holidays is Tuesday 24th July 2018.

Please let us know this information by Friday 22nd June.

We will be holding a meeting for all parents of children who will be with us in September 2018. The meeting will take place on Wednesday 20th June at 7pm in Sunshine room. There will be a few changes to the routine that we would like to share with everyone.
