What we are learning this week...

This week we will be reading the story 'Oliver's Milkshake'. We will be making our very own banana and/ or blueberry milkshakes.

We will be exploring capacity in the water tray with both water and shaving foam.

Children will be learning a dance to the song 'Eye of the Tiger'. We will then investigate what happens to our bodies after exercise. Why not listen to this at home with your child?!

Children will make their own milkshake recipe books. They will be encouraged to write some sounds they can hear in the words they want to write. They children will also use a hole punch and treasury tag to fix the pages of their recipe book together.

Cooking

This term Liz is making savoury biscuits using our own herbs grown in the garden. If you would like to help Liz with cooking this term, please choose a date suitable and put your name up on the list outside the classroom. Thank you Max and Oliver's grandma and Rowan's Dad

Family Fun Morning

On our last day of term, we are inviting everyone to our Family Fun Morning on Tuesday 24th July. Parents are invited to attend 10-12pm. We will be saying goodbye to lots of our children who will be starting school in September. More details about the morning will follow closer to the time.

This will be the only session of the day; therefore, Sunshine room will be closed in the afternoon of Tuesday 24th July. Any children who have wrap around care will go into Rainbow room for the afternoon.

Weekly Challenge

Can you use different sized cups and talk about how full they are? Maybe in the bath or during water play in the garden? We will be using the words- full, half full, empty, nearly full and nearly empty. Email some photos of your play!

Larks in the Park

Larks in the Park will be taking place on Sunday 1st July in Victoria Playing Fields 12pm-5pm. Muriel Green will be attending with some activities for children to do. We would love to see you there! Come and say hello!
