

Sunshine Room News

Word of the week-

Exotic

Caterpillar and Frog watch

We released our butterflies on Wednesday as they had emerged out of their cocoons over the weekend and were itching to be free. Liz has also released our tiny frogs back into her pond but we are hoping for more frogs to appear soon.

Sports Day!

In our Welly Walks we have been preparing for our Sunshine Sports Day! This will take place on our last Welly Walk of the year on Wednesday 18th July in Victoria Playing Fields. We are welcoming parents to attend. Sports Day will take place in the morning at 10am and in the afternoon at 2pm. You will be welcome to take your child home after sports day if you wish. Please ensure your child attends in suitable clothing for the sports day. We will have a water station available for children to access as they need.

Dates for your diary

Sports Day- Wednesday 18th July
Family Fun Morning- Tuesday 24th July
Summer holidays - Tuesday 24th July-
Tuesday 4th September inclusive

What we are learning this week...

This week we will be talking about change; more specifically preparing children for the big change that will be happening to lots of our children-starting school!

We will be encouraging children to share with us what they have learnt at Muriel Green which they will then share at our Family Fun Morning.

We will also be preparing the younger children who will be staying at Muriel Green in September.

Children have really enjoyed talking about milkshakes and different fruits. I wonder if they can re tell you the story of 'Oliver Milkshake'. This week children will be doing observational drawings of fruits. We will also be introducing more exotic fruits that children may not have seen before.

Sun cream

Please ensure children are coming to nursery wearing sun cream. We will reapply at lunchtimes.

Names in Belongings

With the current warm weather, we have lots of hats and cardigans in the classroom. Please ensure all items are named to avoid things going missing.

Family Fun Morning

On our last day of term, we are inviting everyone to our Family Fun Morning on Tuesday 24th July. All parents and children are invited to attend 10-12pm. We will be saying goodbye to lots of our children who will be starting school in September. More details about the morning will follow closer to the time.

This will be the only session of the day; therefore, Sunshine room will be closed in the afternoon of Tuesday 24th July. Any children who have wrap around care will go into Rainbow room for the afternoon.

Weekly Challenge

Can you do an observational drawing of a piece of fruit?

Can you label your observational drawing?

Can you do your observational drawing on A5 paper?

These will be displayed in the snack area.

Home Learning Board

In our long corridor used to exit the nursery through the children's centre we have made a Home Learning Display Board. You are welcome to help yourselves to the activity bags to use at home with your child, we ask that you please return the bag before you take another.
